

Annual HS Chemistry Student/Teacher Awards Dinner

with Presentation by noted Science Author, Sam Kean

April 24th the Colorado ACS [COACS] and Colorado Chemistry Teachers Association [CCTA] will jointly honor outstanding Colorado Chemistry Students and their Teachers with our Annual Award Dinner at Regis University.

Presentation: by Sam Kean, national best-selling author of *Caesar's Last Breath*, *The Disappearing Spoon*, *The Violinist's Thumb* and *The Tale of the Dueling Neurosurgeons* (see attachment for speaker bio)

Ever wondered what sort of molecules you are breathing in? Sam Kean has. Google "Caesar's Last Breath Chemistry" to learn how many others have been inspired to define assumptions & tackle the calculations. He will be a fascinating speaker. Please join us to celebrate Colorado's best science students and teachers and enjoy a fascinating talk.
